Remote work has its place. But there's nothing like hands-on.

As a new component to our PowerAdvantage Partner Program, Certified and Premier partners will now be able to use MDF funds to **visit Eaton's Raleigh Customer Experience Lab in person**. Located in our Hub facility, which recently underwent a floor-to-ceiling update and transformation, the brand-new Customer Experience Lab is a must-see up close.

Your travel and lodging up to \$1500 per person for up to 2 attendees will be covered by MDF via reimbursement. Then over a 2-day period, you'll receive a **guided tour** and **one-on-one solution demos** with your product managers. Plus, you can hear what's in store for the year with your marketing manager.. Time permitting, we could also conduct a tailored marketing analysis for your business.
